Beijing

第二轮会议通知

The Second Round of Conference Notice

Invitation to the 15th Beijing International Digestive Disease Forum

The 15th Beijing International Digestive Disease Forum will be held on June 15-17, 2018 in Beijing to conduct extensive discussions on the topic of digestive diseases, co-sponsored by World Endoscopy Organization (WEO), National Clinical Research Center for Digestive Diseases, Chinese Association of Gastroenterologist & Hepatologist, China Quality Association for Pharmaceuticals, Beijing Friendship Hospital, Capital Medical University, Chinese Academy of Medical Sciences & Peking Union Medical College Hospital, Beijing Institute of Clinical Medicine, Beijing Digestive Disease Center, Department of Gastroenterology, Capital Medical University.

The successful hosting of the 14th Beijing International Digestive Disease Forum laid a good foundation for the convening of this conference. The 15th Beijing International Digestive Disease Forum will be in accordance with the features of combination of digestion, digestive endoscopy, liver disease, general surgery, parenteral and enteral nutrition, imaging, pathology and care, live digestive endoscopy, laparoscopic surgery demonstration, and continue to carry out thematic forums. The thematic forum will invite many well-known experts at home and abroad to conduct in-depth discussions on a certain topic to strive to promote the digestive business in China. The conference will fully display the latest research results and academic standards in the field of digestive diseases and further promote the healthy development of gastroenterology in China and provide a comprehensive platform where to continue education, explore the development direction of this discipline, and to understand the progress of new technology in this discipline for the majority of clinicians, and sincerely welcome you.
